ANNUAL SECURITY REPORT (ASR) 2026

Jeanne Clery Campus Safety Act

Crime Statistics for Calendar Years 2023, 2024 and 2025

Introduction:

In compliance with the Jeanne Clery Campus Safety Act (20 U.S.C. § 1092(f)) and applicable U.S. Department of Education regulations, Humacao Community College (HCC) publishes this Annual Security Report (ASR). The report provides information regarding campus safety policies and procedures and discloses Clery Act crime statistics for the three most recent calendar years.

For calendar years 2023, 2024 and 2025, HCC reports zero incidents in the Clery Act statistical categories reflected in the tables included in this report, based on the institution's records and the information compiled for Clery reporting purposes.

Purpose and Scope

The purpose of this report is to provide students, employees, prospective students, prospective employees and other members of the campus community with information concerning campus safety, crime reporting, emergency response, prevention programs and the institution's annual crime statistics. Clery geography may include on-campus property, certain noncampus buildings or property, and public property within or immediately adjacent to and accessible from the campus, as applicable to HCC

Procedures for Reporting Crimes and Emergencies

Students, employees and visitors are encouraged to report criminal actions, suspicious activity, safety concerns and emergencies promptly.

Institutional reporting contact:

- Official of Administration: Marianne Berríos
- Telephone: (787) 852-1430
- Email: mberrios@hccpr.edu

The institution's procedures for collecting and disclosing campus security information are addressed in its policy entitled "Policy and Procedure for the Collection and Disclosure of Campus Security Information – Clery Act." HCC encourages accurate and prompt reporting of crimes and emergencies to the appropriate institutional official and, when appropriate, to state or local law-enforcement authorities

Timely Warnings and Emergency Notifications

HCC maintains procedures to communicate safety information to the campus community when circumstances warrant a timely warning or emergency notification. Warnings and notifications are intended to provide information that may assist members of the campus community in protecting themselves and responding appropriately to a threat or emergency.

Preparation of the Annual Disclosure of Crime Statistics

HCC compiles its annual Clery statistics from reports received by institutional officials responsible for campus safety and from other sources required under the Clery Act. The institution also makes a good-faith effort, as applicable, to obtain crime statistics from the appropriate local or state law-enforcement agencies for HCC's Clery geography.

The statistics are reviewed for the applicable Clery categories and locations and are included in this ASR and submitted separately to the U.S. Department of Education through the Campus Safety and Security Survey.

Security of and Access to Campus Facilities

HCC maintains controlled access to academic and administrative buildings. Exterior lighting is maintained in parking and pedestrian areas, and maintenance personnel inspect and address unsafe physical conditions identified on campus.

Members of the campus community are expected to cooperate with institutional safety measures and to promptly report unsafe conditions.

Campus Security and Law-Enforcement Relationships

HCC encourages the prompt reporting of criminal activity to the appropriate law-enforcement agency when a victim elects to make such a report or when circumstances require emergency assistance.

Drug, Alcohol and Weapons Policies

HCC maintains policies concerning drugs, alcohol and weapons. The institution prohibits the unlawful use, possession or distribution of illegal drugs on campus and prohibits the consumption of alcohol on campus as stated in institutional policy. HCC also prohibits the possession of firearms, knives and explosives in its facilities, subject to applicable law and institutional policy. Additional information concerning HCC's drug and alcohol policies is available on the institution's website in the Institutional Policies area.

Sexual Misconduct, Title IX and VAWA-Related Offenses

HCC maintains policies and procedures concerning sex discrimination, sexual harassment, sexual assault and related misconduct. These materials include procedures for reporting incidents, investigation processes and internal disciplinary procedures designed to protect the rights of the parties.

- Title IX Coordinator: Lcda. Omayra Rodríguez Rodríguez.

HCC provides prevention and awareness activities concerning safety, harassment, responsible use of technology, drugs and alcohol, and other matters relevant to a respectful and safe educational environment.

Emergency Response and Evacuation

HCC maintains an Emergency and Evacuation Plan with procedures for institutional coordination and response to emergency situations. The institution conducts drills to promote preparedness among students and employees.

Hazing Policy and Prevention

Humacao Community College prohibits hazing in connection with any student organization, association, club, student council, or other student group. Hazing includes any intentional, knowing, or reckless act committed against a person, regardless of that person's willingness to participate, in connection with initiation into, affiliation with, or maintenance of membership in a student organization, when the act causes or creates a risk of physical or psychological injury beyond the reasonable risks associated with participation in the institution or organization. Students, employees, and members of the campus community are encouraged to promptly report suspected hazing to the designated institutional official. Reports will be reviewed and investigated pursuant to applicable institutional policies and disciplinary procedures.

Other Campus Safety Policies

HCC also maintains institutional policies and procedures addressing matters such as bullying/harassment and campus emergency planning. These policies are available through the institution's Institutional Policies resources
